

ECC-401 B&W CAMERA

ECC-452 STANDARD RESOLUTION COLOR CAMERA

ECC-455 HIGH RESOLUTION COLOR CAMERA

~ Description ~

ECC-400 series are high performance CCD cameras for general security & surveillance applications. High quality CCD and components are used to provide reliable performance for many years.

~ Features ~

- 1/3" Sony CCD
- Low cost & high performance
- Compact design
- Reverse polarity protection
- Auto-Iris Function (DC/Video)
- AE/ME : On/Off
- Flickerless / Mirror / BLC : On/Off (ECC452/455)

~ Specifications ~

Model	ECC-401	ECC-452	ECC-455
Image Sensor	1/3" Sony CCD		
System	B&W (CCIR)	Color (PAL)	
Effective Pixels	500 x 582 pixels	500 x 582 pixels	752 x 582 pixels
Synchronization	Internal		
Auto Iris	DC / Video		
Horizontal Resolution	420 TV Lines	420 TV Lines	480 TV Lines
Minimum Illumination	0.1 Lux	0.5 Lux	0.5 Lux
S/N Ratio	More than 50dB		
Electronic Iris	1/60 to 1/100,000s		
Video Output	1Vp-p Video Composite		
Power Consumption	9-15VDC, 140mA Max.		
Operating Temperature	-10° to +50° C		
Weight	200g
